

EasyChannel™ Prefinished Channel Drain

DUO QUATTRO CHANNEL DRAIN

- One piece pre-moulded drain made of tough FRP for durable construction.
- Fall to outlet.
- Easy clean outlet located in the channel centre.
- Simply beds into a cement mortar bed and is screeded to form the shower slope.
- Installation is easy, carried out by a plumber or carpenter.

WATERPROOFING

- Supplied-Essential Connection Waterproofing Tapes for the secure connection of the wallboard to the channel upstand and from the channel to recess screed.
- Compatible with all compliant liquid waterproofing products.
