

## Freeform/Custom Showers – design your freeform shower base

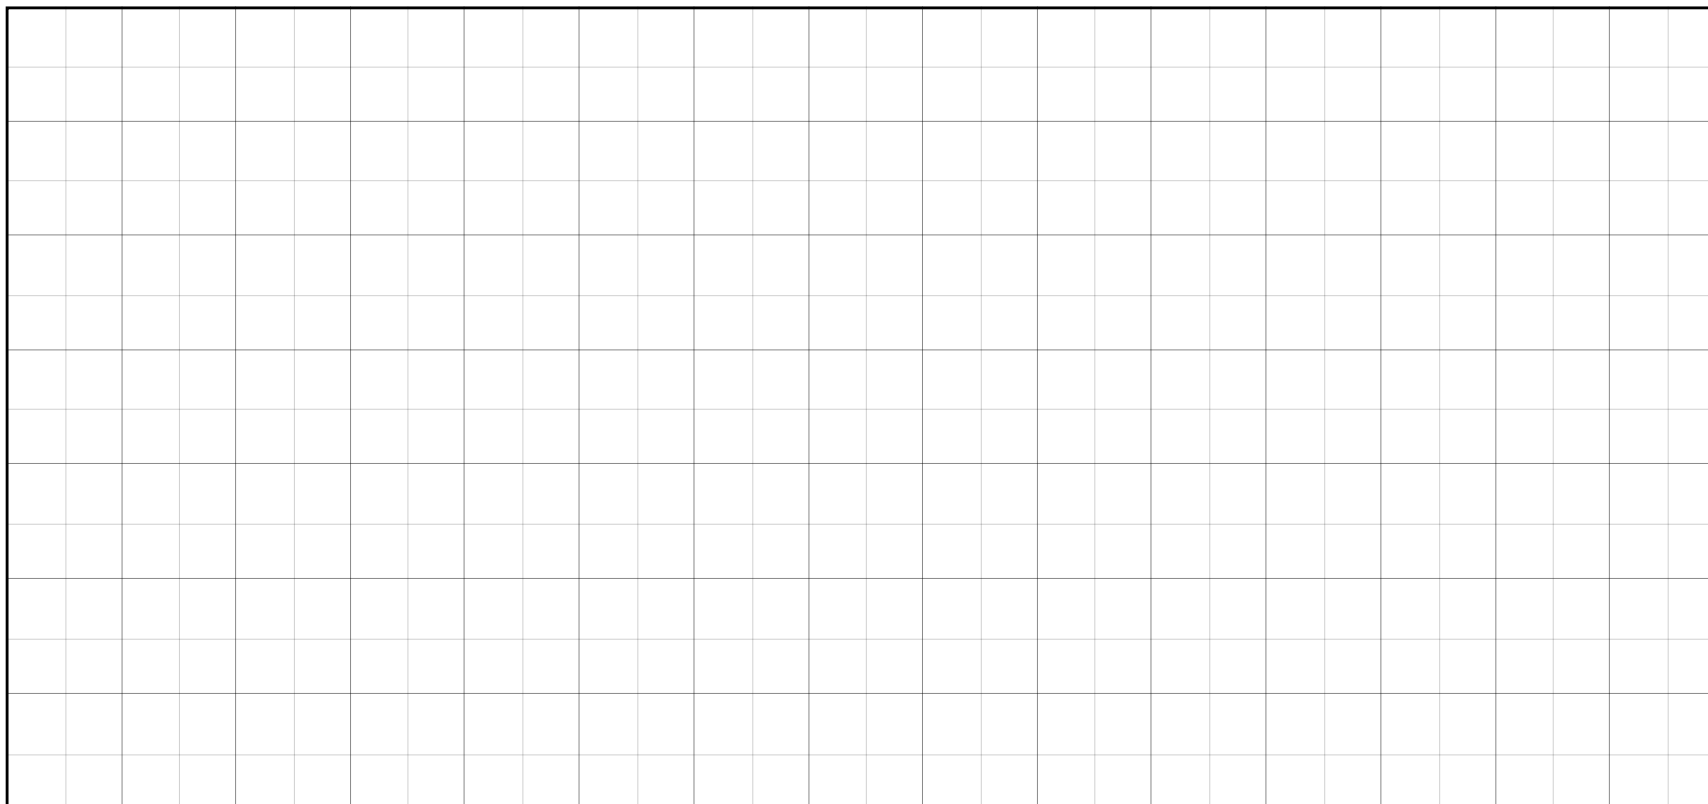

Create the perfect shower for your unique space. Use the Freeform Drawing Sheet below, providing as many measurements and as much detail as possible.

Please ask your preferred bathroom merchant to send your completed drawing to Atlantis for availability options and quotation. Examples on opposing page may be used to explore some options we can create. Custom options available outside of those shown. If unsure, contact Atlantis for more information.

<input type="checkbox"/> No. of framed walls	<input type="checkbox"/> Tiled Tray	<input type="checkbox"/> Acrylic Tray	<input type="checkbox"/> Level Entry	<input type="checkbox"/> Step Entry	Frameless Screens: (if available) <input type="checkbox"/> Hinged <input type="checkbox"/> Sliding <input type="checkbox"/> Walk-in
--	-------------------------------------	---------------------------------------	--------------------------------------	-------------------------------------	---

Please indicate the intended position of the shower waste/outlet.

Please show the intended configuration of the frameless glass screens below

Please provide as many measurements and details as possible in the space above.

Note: Custom showers are non-returnable and non-refundable. When complete, please ask your preferred bathroom merchant to send to [support@atlantis.co.nz](mailto:support@atlantis.co.nz)
